MINUTES OF THE 01/15/04 MEETING

The meeting was called to order at 7:00 PM at the Beaverton Community center at Fifth and Hall. Twenty-three members and guests were present. Committee members present were: Chairman Charles Wilson, Jack and Carol Franklin, Rita McCormick, and Vern Williams.

The minutes of the last meeting were read and approved as submitted.

Mayor Rob Drake was introduced to give his report on the State of the City. He reported that the crime rate in Beaverton is down 7% from the last reporting period and that the City ranked 47th of 350 cities over 70,000 population nationwide, and first in Oregon for cities of its size; that is, first being the lowest crime rate. We were pleased he cited the Schiffler Park Watch group as an example of how citizen involvement helps in reducing crime.

The Mayor also stated that identity theft is becoming rampant and the city has receive a grant to address this problem much of which is caused by organized criminals and drug users. He also identified Allen Blvd. and Farmington Road as high collision routes and that photo radar will be employed in areas of schools and neighborhoods. The City has established "hot" lines for traffic problems 350-4009 and abandoned autos 350-4058.

The Mayor then fielded a number of questions from the audience, about water supply, the housing code, and land development procedures.

Jim Brink, City of Beaverton Engineering Department gave an update on the Farmington Road project and responded to a few questions from the audience.

Carol Franklin was nominated and elected Vice Chairperson.

Alfred Loucks will serve as our representative to the CCI.
